## Amy Burfitt

### Care Consultant

---

Amy Burfitt started at LivHOME as a Care Consultant in August of 2014.

Amy has been interested in working with seniors since she was a marketing intern at the American Red Cross in Northern California. Upon graduation, she moved to San Diego and became involved with the Scripps Health Foundation as an events coordinator. Scripps didn't satisfy her need to work with seniors; therefore, she started volunteering at Sunrise Senior Living. She was then hired as their activity and volunteer coordinator and less than a year later was promoted to director of sales. She feels fortunate to have worked at three of their San Diego properties over the past 10 years.

Amy graduated cum laude from Sonoma State University with a BA in communication studies. Over the past 10 years, she has also volunteered with the Peninsula Shepherd Center, Glenner Memory Care Centers, the Alzheimer's Association, and the Solana Beach Community Senior Center.

**Amy can be reached at (619) 228-5161 or by email at [aburfitt@livhome.com](mailto:aburfitt@livhome.com).**
