Ashley McCoy, MS

Life Care Manager Associate

Ashley McCoy joined LivHOME, the premier provider of professionally led in-home care, in 2016 as a Life Care Manager Associate.

Ashley earned her bachelor's degree in psychology from Mississippi State University and her master's degree in counseling psychology from Capella University. Before joining LivHOME, she was employed by the University of Chicago Medical Center as a patient service coordinator on one of the hospital's cardiology units.

As a patient service coordinator, Ashley managed challenging situations and coordinated with the hospital staff and client families to provide optimal care while maintaining the needs of the unit and staff.

As a LivHOME Life Care Manager Associate, Ashley uses her skills to conduct assessments and develop care plans for her clients. She advocates for and supports clients and their families to resolve issues and enhance their quality of life. In addition, Ashley supervises, trains, counsels, and monitors all Caregivers who provide services for her clients.

Ashley can be reached at (847) 470-1703 or by email at amccoy@livhome.com.
