Bonnie Craig

Area Director

Bonnie Craig joined LivHOME in 2000 as Area Director for Santa Barbara, Ventura, and San Luis Obispo counties.

Bonnie oversees the efforts to serve the needs of families who seek superb in-home care. Bonnie is responsible for managing and directing branch operations, ensuring and maintaining the highest quality of services throughout the tri-county area. Last year Bonnie opened our newest office in Paso Robles to ensure that all areas have the opportunity to receive the best quality of services locally.

Bonnie has more than 30 years of experience in the nursing field. Prior to LivHOME, she worked at St. Francis Medical Center on both the acute and transitional care units. As director of staff development, she was active on several committees, including one that developed and implemented a wound care assessment and treatment team. As a member of the Preceptor Program, she passed on her skills to new nursing graduates and worked with the Pastoral Care Team to initiate a Compassionate Care Program to ensure dignity and compassion during the end stages of life for both the patient and their family members. Bonnie brought her skills to LivHOME and has mentored her team to provide the best of care.

Bonnie is a member of the National Academy of Life Care Managers and is a member of the advisory boards of the Regional Health Occupations Resource Center and the C.N.A. Program at Santa Barbara City College. She is involved with the Alzheimer's Association of the Central Coast and the Braille Institute of Santa Barbara.

Bonnie can be reached at (805) 687-8766 or by email at bcraig@livhome.com.
