Darlene Mann, MSW

Life Care Manager

Darlene received her master of social work degree from California State University at Long Beach, with a concentration in gerontology. While at Long Beach State, she also completed a professional certificate program in gerontology.

Darlene has extensive experience working with older adults, families, and Caregivers in various settings. She has worked as a Life Care Manager for LivHOME for over 15 years. During that time she has worked with many clients to help them maintain their independence and dignity. Darlene finds many ways to support families and friends of clients as they deal with the problems of aging, illness, and issues of loss. Her field of expertise includes assessment, evaluation, life care planning, Parkinson's disease, Alzheimer's disease, cognitive training, and end-of-life issues.

Darlene remains dedicated to eldercare and stays current on senior issues through continual education and participation in professional organizations. Her greatest joy is to step into a client's life to make a positive difference.

Darlene can be reached at (949) 794-9470 or by email at dmann@livhome.com.
