David Green, MS, CMC

Life Care Manager, Team Leader

David Green joined LivHOME in 2011 as a Care Manager, bringing with him over 25 years of experience in social services with a focus on care management.

David met Steve Barlam, LivHOME Cofounder and Chief Professional Officer, when he attended an American Society on Aging conference at which Steve was presenting. David was impressed with Steve and the exceptional standards LivHOME represented.

Prior to joining LivHOME, David was a care manager and supervising care manager for the City of Oakland, where he provided services for the Linkages and Multipurpose Senior Services Programs as well as supervised other care managers. Before that, David was a senior care manager at the Regional Center of the East Bay. And prior to that, David was a counselor and the clinical director at the Youth Development Program, a residential and outpatient treatment program in Oakland. At the start of his career, David was a counselor at the Jewish Home for the Aged in San Francisco.

David earned his bachelor of arts degree in psychology (with honors) from the University of California at Santa Cruz and his master of science degree in clinical psychology from San Francisco State University.

David is a certified care manager with the National Academy of Certified Care Managers and an aging life care professional in good standing with the Aging Life Care Association.

David can be reached at (866) 371-1466 or by email at dgreen@livhome.com.
