Gail Zimmerman, RN, PHN, CMC

Area Vice President, Corporate Operations

Gail Zimmerman is the Area Vice President of Operations. She joined LivHOME in 2000 as Director and later became Area Vice President of the Los Angeles office. Previously, she was the administrator and director of clinical services at SunPlus Home Health. Gail has a wide range of nursing experiences in a variety of settings, including hospital, clinic, and over 35 years in the home health care industry.

Gail holds a current registered nurse license and a public health nurse certificate. She received her bachelor of science degree in nursing from the University of Iowa and is a member of Sigma Theta Tau, the Honor Society of Nursing. Gail is credentialed as a care manager, certified (CMC) by the National Academy of Certified Care Managers.

From 2015 through 2017, Gail led LivHOME's efforts in attaining home care licensure for California's seven branches and the registration of all of LivHOME's Caregivers. The long-awaited state oversight of home care in California is welcomed and continues to be challenging as new rules and new interpretations are ever evolving.

In 2002, Gail was instrumental in the achievement of accreditation for LivHOME. This accreditation was awarded by the Accreditation Commission for Health Care (ACHC), which is an independent peer review organization committed to the improvement of organizational operations and the delivery of quality paraprofessional services.

Gail is active with the American Board of Home Care (ABHC), whose mission is to promote legal and ethical business in the home care industry, thereby improving both industry standards and consumer confidence. The focus is on the education of professionals, consumers, and families, and now, with the tumultuous legal changes in health care, is also focusing on the education of home care companies and legislative actions. Gail serves as vice chair for the Los Angeles chapter.
