Nathan Urton, RN, CMC

Assistant Area Director

Nathan Urton joined LivHOME in July 2011 as a Care Manager for our San Luis Obispo office.

Nathan was promoted in 2016 to Assistant Area Director for the Tri-County Region, assisting the Area Director in all aspects of operations.

Nathan provides care management for his clients, conducting clinical assessments, building care plans, obtaining community resources, advocating within the complex health system, communicating with the care team, as well as many other tasks. He also provides individualized training and supervision of LivHOME Caregivers.

Nathan graduated cum laude from the National University in La Jolla with a bachelor of science in nursing. Specializing in geriatrics and dementia, Nathan has proven to be an expert in his field.

Nathan volunteers in programs for senior citizens and at-risk youths. He is a member of the Pinnacle Honor Society for his community service and academic achievements and is an active member of the National Academy of Certified Care Managers. Nathan is care manager, certified (CMC).

Nathan can be reached at (805) 687-8766 or by email at nurton@livhome.com.
