Scott Duncan, MSW

Life Care Manager

Scott Duncan joined LivHOME in 2017 as a Life Care Manager.

Previously, Scott worked as a hospice social worker, providing care management and emotional support to individuals at the end of their lives. He has a wide range of experience, including providing bereavement services and grief counseling, implementing music programs for improved quality of life, advocating for the disabled through a community-based organization providing services, and supervising graduate and undergraduate student interns.

Scott is licensed by the Louisiana State Board of Social Work Examiners as a licensed clinical social worker. He received his master of science in social work at Tulane University in New Orleans and earned his bachelor of arts degree at Fairfield University in Fairfield, Conn.

Scott has developed professional and warm relationships with his home care clients, their families, the Caregivers, and involved professionals. He believes open communication with established goals and an individualized care plan can alleviate many of the challenges faced in complex home care situations. Promotion of respect for our clients and trust in their decisions is paramount. Maximizing safety and comfort are two of the goals every client deserves.

Scott can be reached at (323) 933-5880 or by email at sduncan@livhome.com.
