Shannon Hesse

Life Care Manager Associate

Shannon joined LivHOME in 2016 as a Life Care Manager Associate. Shannon brings over 16 years of in-home care experience to LivHOME.

Shannon received her license as a certified nursing assistant and home health aide as well as her medical technician license from West Valley Occupational School of Nursing in Woodland Hills, Calif.

Shannon has worked in skilled nursing facilities, assisted living communities, and with hospice. As a mentor, she has trained several certified nursing assistant students in the classroom and community. Shannon has also worked with many students in preparation for their state exams.

Shannon excels in providing resources to families and presenting available options within the community by assisting family members with sound choices so they can stay at home when possible. Because of Shannon's dedication to and caring for her grandmother and many others, she has the skills needed to make a significant contribution toward the health and wellness of clients and their families at LivHOME.

**Shannon can be reached at (805) 687-8766 or by email
at shesse@livhome.com.**
