Sharon Serar joined LivHOME in 2017 as Executive Director for the Inland Empire, which includes Riverside, Palm Desert, and Coachella Valley.

Sharon was previously the director of assisted living for Mt. San Antonio Gardens. She has six years of experience in the health care industry, spanning home care, assisted living, and skilled nursing. Her love for seniors and desire to provide elders with exceptional service is what brought her to LivHOME.

Sharon is a member of the Inland Association for Continuity of Care (IACC), Riverside Chamber of Commerce, and BNI Integrity Business Partners, and she participates in other networking groups as well.

One of Sharon's favorite quotes is by Eleanor Roosevelt: "Beautiful young people are accidents of nature, but beautiful old people are works of art." She is honored to provide service to all the beautiful works of art who have entrusted their care to LivHOME.
