## **Susan Hooper, MSW**

### **Life Care Manager**

---

Susan Hooper has worked with the older adult population for over 20 years.

Susan has experience in nursing homes, skilled rehabilitation facilities, adult day care, caregiving, dementia care, community outreach, elder abuse, and agency networking. She also has expertise in hospitals, hospice, palliative, supportive living, home health, and outpatient rehab.

Prior to LivHOME, Susan was the director of social services at Lee Manor Rehabilitation and Nursing in Des Plaines, Ill. One of her primary roles was to serve as the discharge planner for rehab patients in order to provide a safe transition of care back to their home. Other positions in which she has served include activities coordinator, certified nursing assistant, elder abuse investigator, comprehensive care coordinator, and social services assistant.

Susan received her bachelor's degree in social work from Illinois State University in Bloomington-Normal, Ill., and her master's degree in social work from Dominican University in River Forest, Ill. She also obtained her master's internship through the North Shore Senior Center, where she received the Kott Gerontology Scholarship.

Susan has been a member of the National Association of Social Workers since 2003 and is a member of NASW's Aging Specialty Practice. She also has been a member of the Society for Social Work Leadership in Health Care and the Aging Life Care Association since starting with LivHOME.

**Susan can be reached at (847) 470-1703 or by email at [shooper@livhome.com](mailto:shooper@livhome.com).**
