Laverne Mgbeke, MSG

Life Care Manager Associate

Laverne joined LivHOME in 2018 as Life Care Manager Associate for the Inland Empire.

Laverne has been working in the healthcare and social service industry for thirty years. She has extensive knowledge and experience in both fields.

Laverne believes that seniors are the pillar of our community, and they deserve to be treated with dignity and respect. In her spare time, she volunteers in the Alzheimer's and Dementia units at the skilled nursing facility near her home. She has worked as a caregiver and is dedicated to taking care of and helping her seniors.

Her passion and dedication for working with seniors led her to become a gerontologist. Prior to LivHOME, she worked for the County of Orange in various social service capacities. Laverne enjoys working with the elderly and in the words of Andy Rooney; she also believes that "classroom in the world is at the feet of an elderly person."

Laverne holds a Master of Science in Gerontology from the University of La Verne and is a member of the California Council on Gerontology & Geriatrics (CCGG) National Council on Aging (NCOA) and Sigma Phi Omega Honor Society.

Laverne can be reached at (800) 690-9602 or by email at lmgbeke@livhome.com.
