## Melanie Becker, MSW, LCSW

### Life Care Manager

---

Melanie Becker joined the LivHOME Houston team as a Life Care Manager in 2018. She is a Licensed Clinical Social Worker with a concentration in gerontology.

Melanie comes to LivHOME with many years of experience in short-term rehab stays, dementia care, and long-term care. Her areas of specialization include Alzheimer's, end-of-life issues, and advocating for clients' rights.

Her passion for working with the older population began with LivHOME California in 2002, where she worked as a caregiver. This hands-on experience, coupled with years of study and professional experience, provides a unique perspective and ability to work most effectively as a team member.

Melanie earned her Bachelor's degree in Sociology from the University of Houston in 2009 and her Masters in Social Work from the University Of Houston Graduate College Of Social Work in 2012 with a certificate in gerontology and was a recipient of the Isla Carroll Turner Fellowship in Gerontological Social Work.
