## Shari Graham, BA, MBA

### Care Consultant

---

Shari Graham joined LivHOME in 2018 as a Care Consultant. Shari brings over 14 years experience in the home health care, education, and hospitality to LivHOME.

Previously, Shari was a home health caregiver working closely with individuals in need of assistance who also desired to maintain autonomous lifestyles. She advocated for those she assisted to ensure their quality of life was preserved and goals were met. Shari also served as a professional academic tutor who helped others reach their higher academic aspirations. She has additional experience in satisfying client's needs through hospitality management.

Shari obtained her Bachelor of Arts degree (BA) in Sociology from University of Texas at San Antonio. Motivated by her desire for life-long learning, Shari additionally completed her Master of Business Administration (MBA) at Wayland Baptist University in San Antonio, Texas.

She has a passion for helping others progress in whatever arena they desire while receiving high quality care. Shari recently relocated to Houston, Texas and is excited to foster relationships with other professionals. She looks forward to harnessing those relationships as educational tools and resources for her clients.

**Shari Graham can be reached at (713) 622-6200 or by email at [sgraham@livhome.com](mailto:sgraham@livhome.com).**
